Keeping Wahaca Sustainable

see wahaca.co.uk for details

We're really proud to have been voted Sustainable Restaurant Group of the year in both 2012 & 2013. Where possible we use British ingredients to recreate the vibrant flavours of the Mexican markets. Our meat is sourced within the UK & our fish is sustainably caught. All of our food waste is either composted or used to generate energy; none of it goes to landfill. We work with farmers who share our values to improve animal welfare. Sometimes ingredients cost us a little more, but you can tuck in, happily knowing your meal won't cost the earth.
